

Mehul Interior

Company Profile

Mehul Interior is a Construction Company that has built a strong reputation for delivering a quality service, on time, and at a competitive price. We pride ourselves on being skilled and experienced in all aspects of Civil, Electrical and Plumbing.

Our commitment to innovation and excellence invariably results in a successfully completed project for both Contractors and clients. We understand and promote the idea of working as a partnership with our clients to ensure their goals are met.

At **Mehul Interior** we never rest upon our laurels and are passionate and driven to continue the high levels of customer satisfaction we have achieved over the past 2 years.

We undertake a variety of projects for a wide range of clientele – from small private developments to large Developers and Corporate projects. Our unique and flexible project management systems ensure that a positive outcome is achieved regardless of size or nature of the project.

With a short and intimate history, it is no wonder the culture at Mehul Interior is one of continual improvement. With this “can-do” attitude we are excited to confront the challenges and seize the opportunities the future will bring.

From a humble beginning with an Annual turnover of rs. 50 lakhs in Fy 2020-21 to approx Rs 1 Crores in FY 2021-22 to Rs. 7 Crores running projects , we are expanding our business at more than 2 X in terms of Financials.

Our Values– Quality

Quality is king at **Mehul Interior**. We aim to make sure that the expectations of the client are fully complied with and that projects are delivered with a high standard of workmanship in a timely manner. We always use products and materials that meet or exceed the requirements of the contract documents and ensure our staff are adequately trained.

Health and Safety

The health, safety and welfare of all staff, sub-contractors, clients and visitors is significantly important to **Mehul Interior** and it is our intention to strive for excellence in the effective health and safety management of all construction sites under our control. We also aim to effectively mitigate all hazards arising from our facilities, activities and site specific environments.

We also ensure we comply with all legal obligations, relevant standards and codes of practice with a commitment to developing a culture of safety within the civil construction industry.

Environmental Sustainability

At **Mehul Interior** we understand that environmental sustainability is everyone's responsibility and as a prominent local company we are prepared to lead the way in this regard. We also realize that a commitment to the environment is not just socially responsible, but also good business practice as we seek to increase our constantly growing reputation. For this reason we ensure that our environmental policy is implemented throughout every facet of our business.

Simply put, our overall objective is to carry out our operations in a way which manages and minimizes any adverse environmental impact and to prevent any pollution.

Our Team

We have with us service support of diligent professionals who have wide industrial experience in their respective field of expertise. Our team has highly qualified engineers from Civil, Electrical and other streams. Every team member works in proper coordination with each other to deliver the best-in-class services in construction industry.
